**To issue a summons.**

The probation officer believes that the offender has violated the following condition of supervision:

Violation Number      Nature of Noncompliance

1

**Special Condition # 15:** You shall undergo a substance abuse evaluation and, if indicated by a licensed/certified treatment provider, enter into and successfully complete an approved substance abuse treatment program, which could include inpatient treatment and aftercare. You shall contribute to the cost of treatment according to your ability to pay. You shall allow full reciprocal disclosure between the supervising officer and treatment provider.

**Supporting Evidence:** The defendant is considered to be in violation of his period of supervised release by being unsuccessfully terminated from an inpatient drug treatment program on or about May 7, 2016.

On April 11, 2016, the defendant was assessed as needing inpatient chemical dependency treatment after testing positive for the presence of marijuana on multiple occasions. The defendant entered treatment on April 19, 2016.

On April 26, 2016, the defendant left the treatment facility stating he needed to be with his son and daughter as they were having issues. The defendant contacted this officer the following day and he was directed to return to the facility. The defendant complied with this direction and the provider was willing to allow him to return.
